

3679 Le Rive Way, Chaska

3679 Le Rive Way

\$1,244,900

About

Panoramic views of rolling hills, trees, ponds and horse pastures is what you will see looking out a two-story wall of glass that floods this wide open great room with sunlight. At 5,628 finished square feet, this five-bedroom, five-bath home will leave you breathless with the details and excellence in craftsmanship. The second floor boasts four bedrooms and three baths. Incredible see-through fireplace on the main level connects the sun room with the great room. Lower level features a recreation room, billiard area and wet bar. **SOLD**
